TUTOR's comment and CLUB NEWS

REMINDERS

1. **END-OF-YEAR FUNCTION:** Club members who attended this week's sessions have agreed on a date for the annual Christmas function, so please put this date in your calendars: **SUNDAY 4th December**. (More details at a later time).
2. We are desperately short of good clean rags. If you have any unwanted old rags we can use them a.s.a.p. Thanks.
3. Our wet-wood turning project begins next week. Have you got your blank ready?
4. There are lots of wet-wood blocks beside the tilt-a-door. Please help yourselves to as many blocks as you wish to take home.
5. The Thursday session final night will include a winged-bowl exhibition so make sure yours is completed in time.
6. Tomorrow, Saturday 10.30a.m. to 2.30pm at BUNNINGS, Te Rapa there will be a Dremel tool demonstration.

72 days until Christmas

WET WOOD TURNING SESSIONS BEGIN NEXT WEEK - IS YOUR WET BLOCK READY TO GO?

GRANT and DAVID G. and made short work of the pile of massive redwood slabs. The task was completed by **COLIN, ANDRE` and DONAL** at the Thursday session. Thanks fellas - a mighty big job well done.

WORKSHOP HAPPENINGS

Members completed works.

GRANT used a fairly spectacular block of Tasmanian Blackwood to create his masterpiece.

Another job completed by **GRANT**. This time a small Cherrywood, natural-edge bowl!

CHRIS from the Thursday team used a block of Kauri wood to create his very flash cake stand.

A special feature is the high-quality finish. I will look up the club rules to see if cake stands generate the same outcome as when a rolling pin is made. (lol)

Readers of the club's TT are reminded that a **FOR SALE** service operates for everyone's benefit.

As there is always some preliminary work prior to publication there will be a small charge for this service.

In short the fee is 10% of the selling price.

To date no one has used the service so I will make a start to get the "FOR SALE" ball rolling.

See below.

In pristine, almost in unused condition 400mm DRUM SANDER

- Variable speed feed
- 1 HP motor
- New price advertised at \$1,199.00

My price is just \$699 with an optional stand on sturdy casters thrown in for \$1.00.

FOR SALE NOW

At DELIA'S LITTLE PLANT SHOP – open every day. 41 Cullimore Street, Pukete Hamilton

PHONE: (07) 849 1757

TOMATOES: We have hundreds of tomatoes ready now for seasonal planting. Why pay up to \$9.00 (and even more) for a single plant when we have them for **\$1.50, \$2.00, and \$2.50**. We also have six-packs. Our plants are better, stronger and healthier than any other you might find in town. I know this to be certain as I have looked at all the stocks of commercial suppliers all over Hamilton. 10% of every sale goes to the Hamilton Wood Turners Club.

Varieties: Sweet 100 (*cherry size*); Black Krim (*what a taste!*); Money Maker (*all-time favourite*); Big Beef (*huge size*); Marmande (*Europe's best tasting*); Black Russian (*uniform size and juicy*); Russian Red (*the heirloom*); Grosse Lisse (*reliably big*); and Doctor Walters (*one of the most sought after tomato varieties*).

OK that's the TT for this week.

Cheers

Clive
