## Welcome to 2024.

It was great to see a number of eager turners back in the workshop this week, with tales to tell of their summer exploits, some of which may even have been true!

We are looking forward to another busy year.

The **Annual Club Meeting** is to be held on Saturday 24th February 2024.

The meeting is to elect Committee members for the year. All members are invited to attend. Any member wishing to serve on the Committee should complete a Nomination form (on the table in the Workshop) and email it to Stephen Hawley.

The meeting starts at 9.00AM and is to be followed by a Working Bee from about 10.00- 12.00.

**Blueberry Muffins will surely be provided.**

While others were lying on the beach, Richard was busy in his workshop. A series of miniatures and a string container for you to check out.

A great option for foodsafe finishes on your work. **Grovers Board Butter** is produced in Pirongia from locally sourced ingredients.

For those who do furniture work, there is an option for you as well

Can be purchased online or collected from

**The Hive**  
Franklin St, Pirongia

Pirongia based woodturners may be persuaded to do pick up for you, if you ask nicely.
