There are several up coming events for you this week. Check them out and take the opportunity to be involved.

The most important is the **Annual Club Meeting**, to be held on Saturday 24th February . See more information on page 2.

Night School has started again for the year. This provides a great start for new turners and gets them quickly up to speed to join the regular sessions. It is anticipated that these will run four times throughout the year, so if you know of anyone who might be interested direct them here
