Editor:	John Baker 0210697636 johntepahu57@gmail.com

We are off to a flying start to the year with plenty of new turning underway. There have been some great ideas for club projects and the Tuesday group is starting with making Celtic knots.

There are events coming up which we will keep you up to date with, see details below.

Also attached today is an invitation to the 'Participation 2023' event run by South Auckland Woodturners. If you are able to attend, this is a great event.

And as always, photos of your creations.

AGM and Working Bee .

18 February.

9 am start

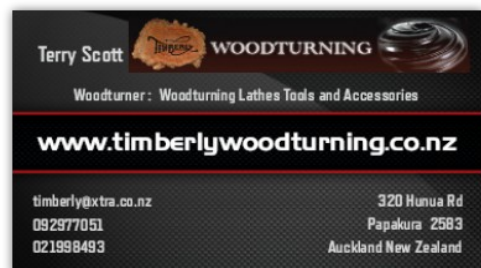

Please make every effort to attend this combined event. It ensures both the workshop and the club are in good working order. New committee members will be elected for the year ahead. Essential maintenance will keep the equipment in top condition.

Wood Sales

The club is fortunate to have an ongoing supply of wood for turning thanks to Colin MacKenzie and others.

Please make sure any wood taken is paid for as marked.

Duty manager will be happy to accept payment.

And.... first prize goes to Wayne. He was first off the start line in 2023 with his well finished kauri bowl. The wood is recycled from an old Te Mata bridge.

Murrays Matai platter needs two photos to fully appreciate it.

Created according to official platter specs with the height no more than 15% of the diameter. Finished with food grade oil.

370x45mm

Richards Calabash.

Rimu that has been scorched, sanded back then had an application of black shoe polish.

Finished with Canuba wax. 140mm high

Richard again.

Bud vases Matai plus 2 Casuarina tubes. An experiment in working with verdigris and rust paint effect. 200mm high

FUTURE FOCUS

- 7 February. Celtic Knot making with Tuesday group. Demonstrator Michael Doyle.
- 18 Feb. Annual General Meeting followed by working Bee. 9 am at clubroom
- 17-19 March. Participation 2023 at Hunua with South Auckland Woodturners
- TBA The Art of Wood 2023. Competition run by NAW, in multiple categories. Details as they become available
