National Association of Woodworkers(NAW) have kindly agreed to let us include their logo in the TT. For those of you who are not members, we would encourage you to join. There are a number of benefits of belonging to NAW including

- ✓ keeping up to date with whats going on in the woodturning world.
- ✓ a great quarterly magazine with helpful tips and articles.
- ✓ discount card for a number of retail and other outlets.

Check out their website and fill out the membership form for a great deal.

We have been approached by Dick Veitch from South Auckland Woodturners to assist in an article he is writing for Creative Wood Magazine. This includes asking which Wax finishes we prefer to use. To that end you will find a question sheet on the table in the Workshop for us to complete. Please add your contribution over the next week or two.

It was a nice day last week , so Bill and Michael went to the park to enjoy the sunshine

'Snot much of a park, Michael

More of a gnome-mans land, Bill

The Great Firewood Challenge

- Rescue a piece of firewood from potential incineration
- Take a **before** photo before you start
- Turn into a work of art.
- Display at the club alongside the original photo in time for judgement day (Thursday 5 July)
- There will be a first prize

BEWARE! These new guys are catching up fast.

New turner Tiago
First knock out bar and rewarewa bowl
First bowl was superbly made and finished
Both items are going home with him to Portugal

New turner Fergus. Great job on a tassie
Blackwood bowl

New turner Garth. Great work on a Bowl
and dibbler made in day two of the
introduction

Garth and Fergus spent two full Saturdays with Clive who was reprising his old role as tutor. He thoroughly enjoyed himself and now two more people know the old mantras.. 'Rub the Bevel'. "Near enough aint good enough."

They were sent away with extra wood to continue the fun.

A nice piece of Matai from Michael, with veneer and paua inserts

And by order of his daughter, Greg has produced this 240mm chestnut bowl

Shallow Chestnut bowl from Alan

Sycamore clock from Tony

This plate from Bill represents many hours of precision work, guided and advised by Michael.

Made from purple heart and claret ash and measuring 220mm.

Gary . Funeral urn in Cherry and Rimu

Also from the busy lathe of Tony, this great spalted Rewarewa bowl

Christmas Market Elliott Park, Nawton,

SATURDAY 2nd DECEMBER (Rain date Sat 9th Dec)

For those who were involved last year, we had a successful and enjoyable market day during this event. If you are interested in being involved and selling some of your turnings, please contact

Working Bee

8 July

Same place, same time. Come for an hour, come for the muffins. Plenty of jobs for all.

For extra points...

The mould growth in wood which creates interesting patterns and effects is known as what?

Last weeks answer

The name of the channel in the bowl gouge is the 'flute'
