Its been a quiet week on the woodturning front. Maybe everyone is too busy with the excitement of the election.

We finally handed over the results of the tulip Project to the Parkinsons Society this week. The club produced over 150 of these which the Parkinsons Society will now sell as a fundraiser. Well done everybody.

A reminder that the Introduction to Woodturning class starts on 30 October if you know of anyone who might be interested in taking up the worlds best hobby!
